

Logement social et ses effets

Participants needed

Tenants who's cost of housing is fixed at 25% of their income

Purpose of the project

«Logement social et ses effets» is a research project lead by Janie Houle, professor at the Université du Québec à Montréal (UQAM). This project aims to analyse the effects of social housing (HLM, COOP, OSBL and PSL privé) on their tenants. The purpose is to better understand the experience of people living in social housing and the impact it has in their life and on their well-being.

Participant Requirements

- ✓ Aged between 18 and 59 years old
- ✓ Is an actual (or has been) tenant who's cost of housing is fixed at 25% of their income
- ✓ Living in one of these areas: Montréal, Lévis, MRC of Portneuf or Bellechasse
- ✓ Can speak one of these : English or French

Participation involment

- ✓ Participate in an in person interview in a park, or virtually through Zoom. The interview will:
 - be about your experience in social housing
 - last around 75 minutes
- ✓ You will receive a compensation of 30\$
